Rowerowy Maj 2025 – dziękujemy za wspólny jazd!

Za nami kolejna edycja ogólnopolskiej kampanii Rowerowy Maj, w której nasza placówka z dumą wzięła udział!

W których Starachowicach:

16 szkół i przedszkoli,

165 klas i grup,

1710 uczestników choć raz dotarło do szkoły/przedszkola na rowerze, hulajnodze lub pieszo,

Average frequency was 29%!

We are proud, we could do it together! Our goal was to promote health, movement and ecology through this action!

Awards are waiting!

The best school and kindergarten received financial awards from the City of Starachowice.

Classes and groups with the highest frequency in our choice went to the park of trampolines Happy Jumper in Kielce. kielce.happyjumper.pl Wait for them! There are tens of meters of trampolines, basins with balls, tracks, obstacles and many attractions, which children love – regardless of age!

The most active participants from our center received bicycle helmets, which were donated by the local company PWIK Sp. z o.o. Starachowice.

We thank all children, teachers and parents for their commitment and daily active transport!

We are convinced, it is only the beginning of good habits on our way to a better future! 🚲👊
